

# MPS CARING CLOSET

## ***Who we are:***

We are a volunteer run clothing bank that wishes to positively impact our WCS Community by providing donated clothing and essentials to children and families with need.

## ***How we distribute clothing:***

If you reside in the Waterville School District and are in need of children's clothing, we are here to help. Please notify one of the contacts below or your child's teacher. We will do our best to provide what we can with our donated resources.

## ***How to Donate:***

We welcome donations of new or gently worn CLEAN items ranging from **footwear, clothing, outdoor necessities (coats, gloves, hat, mittens, boots), backpacks, and undergarments** (new only). Sizes range from 4T to men's and women's large. In addition, health and hygiene items such as **deodorant, toothpaste, toothbrushes** and feminine hygiene products are also needed. Items can be dropped off in the MPS office anytime during school hours. Monetary donations to purchase new items are also accepted. Thank you for your generosity!
