Treasurer's report: Debbie Salvaggio reports a current balance of \$18,721.49 in the checking account which includes Moola money. There was a deposit of \$7,837.65, mainly consisting of payments from the Pie fundraiser. Debbie explained that one of the checks from the pie sale could not be cashed due to insufficient funds. The check did not have a phone number listed and was from an individual not known to the Boosters. Debbie will prepare a letter to explain that the individual is responsible for the pie payment and NSF fee.
