Preparing for When Someone Gets Sick

- ❑ **Staff and Families of Sick Students will be advised of the [Home Isolation Criteria](#)**
 - ❑ Sick staff members or students should not return until they have met CDC's [criteria to discontinue home isolation](#).
- ❑ **Isolate and Transport Those Who are Sick**
 - ❑ The District will make sure that faculty, staff and families know that they (faculty/staff) or their children (families) should not come to school, and that they should notify school officials (e.g., the designated COVID-19 point of contact) if they (faculty/staff) or their child (families) become sick with COVID-19 [symptoms](#), test positive for COVID-19, or have been [exposed](#) to someone with COVID-19 symptoms or a confirmed or suspected case.
 - ❑ Faculty, staff and [students](#) with COVID-19 symptoms (such as fever, cough, or shortness of breath) will immediately be isolated from others on campus. Individuals who are sick will be sent home or to a healthcare facility depending on how severe their symptoms are, and follow [CDC guidance for caring for oneself and others](#) who are sick.

Waterville Central School District

Preparing for When Someone Gets Sick (cont'd)

- ❑ **Clean and Disinfect**
 - ❑ Areas used by a sick person will be closed off and not used until after [cleaning and disinfecting](#)
- ❑ **If possible, cleaning staff will wait at least 24 hours before cleaning and disinfecting. If 24 hours is not feasible, staff will wait as long as possible.**
- ❑ **Notify Health Officials and Close Contacts**
 - ❑ In accordance with state and local laws and regulations, school administrators will notify the New York State, Oneida County, and/or Madison County Department of Health, faculty, staff and families immediately of any case of COVID-19 while maintaining confidentiality
 - ❑ The District will inform those who have had [close contact](#) with a person diagnosed with COVID-19 to stay home and [self-monitor for symptoms](#), and follow [CDC guidance](#) if symptoms develop.

Potential School Closure

- ❑ The District will close school if required because the regional infection rate increases to at least 9%.
- ❑ In addition, if the District has positive COVID-19 cases of students, faculty or staff, we will consult with the Oneida County Department of Health and the school physician to determine if a closure is warranted and how it should be conducted.
- ❑ If a school closure becomes necessary, students, faculty and staff will transition to remote/distance learning.
