YMCA OF THE GREATER TRI-VALLEY - Stocking Opioid Antagonists Parent Information

Child's Name: _____

YMCA of the Greater Tri-Valley

New York State and the nation are currently experiencing a high number of fatal overdoses due to fentanyl and other opioids. You can help prevent overdose deaths and save lives in our community, the YMCA has committed to learning how to use medication designed to reverse overdoses, per the recommendations of the NYS Office of Children and Family Services.

These medications are known as opioid antagonists. Naloxone nasal spray (also known by the brand name Narcan) can reverse an overdose from a drug such as heroin, fentanyl, and other opioids. Naloxone nasal spray is easy to administer and safe to use on any person.

Our program does stock this medication in the event of an emergency. In addition, our staff have received comprehensive training to recognize the symptoms of an overdose and how to respond accordingly. We also follow NYS OCFS regulations as follows:

- ensure at least one designated staff has successfully completed virtual or in-person training that covers steps for responding to an opioid overdose and other crucial information.
- maintain onsite verification that designated employees have completed the training and make verification available to OCFS or its representatives.
- maintain onsite an approved Appendix K waiver (OCFS Required Documentation Form).
- maintain policies and procedures that follow the child care regulations regarding stocking, storage, maintenance, labeling, and disposal of medication; and
- immediately notify parents (if applicable) and OCFS upon administering medication.

I have been provided with the YMCA of the Greater Tri-Valley's Opioid Antagonist Policy:

ALLERGY & NON-PATIENT SPECIFIC EPINEPHRINE ADMINISTRATION

The YMCA of the Greater Tri-Valley is participating in the non-patient specific emergency epinephrine program for children without a documented allergy. See parent handbook for details.

If in the event your child develops signs and symptoms of anaphylaxis (severe allergic reaction-difficulty breathing, not breathing, swelling of face, lips, throat, hives)

We will administer non-patient specific epinephrine to your child, have them rest comfortably as we call 911 and care for them until EMS arrives, you will be notified and if not available we will use your child's emergency contacts, in extreme cases if your child stops breathing CPR will be performed

***I have read, or been read, and understand the above statement. I know where to find or how to obtain a printed copy of the YMCA of the Greater Tri-Valley Parent Handbook for further details. I will also provide my child's weight to the YMCA to ensure the correct epinephrine dosage is administered. If I am unable to provide my child's weight I agree to allow my child to be weighed by the YMCA staff.**

The For Sponsor Use Only section is to be completed, signed and dated by center or sponsor staff. The sponsor/center representative must review the income eligibility form and ensure that it is completed as indicated in the instructions above. Then indicate the following:

The CACFP Agreement Number.

Total Number of Household Members – This item does not have to be completed if the parent completed Section A. Add those indicated in Section B (if completed) to the children enrolled in child care and the number of foster children, if applicable.

Total Household Income – This item does not need to be completed if the parent completed Section A. Indicate the total monthly income as calculated from Section B. If the parent chooses not to disclose income, the form must be categorized as *paid*.

Number of Free, Reduced or Paid – Compare the total household income and the total number of household members with the current year's Income Eligibility Guidelines (CACFP-3687) to determine if the household should be categorized as **Free, Reduced or Paid**. Use the appropriate column on the CACFP-3687 to categorize their income. For example, if the parent indicated biweekly income, multiply this amount by 26 to determine yearly income.

Incomplete forms (missing signatures, income information, last four digits of Social Security Number or SNAP, TANF or FDPIR numbers) are categorized in the paid category.

The income eligibility form is valid until the last day of the month one calendar year from the date it is signed by the household member. For example, a form signed on May 12, 2014 is valid until May 31, 2015.
